Here is the link to Employee Purchase Program

https://www.samsung.com/ae/multistore/exclusive_store/

The screenshot shows the Samsung website's Corporate Employee Purchase Program page. At the top, the Samsung logo is on the left, and navigation links for Mobile, TV & AV, Home Appliances, Computing, Displays, and Shop are in the center. On the right, there are links for Explore, Offers, Support, and For Business, along with search, cart, and user icons. A banner at the top right invites users to join the program for exclusive offers and provides a sign-in link. The main headline reads "Save more with Samsung Corporate Employee Purchase Program" and includes a sub-headline: "Get up to 55% off on selected products when you register for the Samsung Corporate Employee Program." A "Sign in" button is located below the text. The background image shows four business professionals in a meeting. Below the main content, a section titled "The latest Samsung workplace offers" features a horizontal menu with categories: Recommended, Mobile & Wearable, TV & AV, Home Appliances, Monitors, and Accessories. There are four product tiles: Galaxy S22 Series (up to 50% off), Galaxy Watch 4 Series (up to 55% off), Latest Neo QLED TVs (up to 24% off), and Latest Washing Machines (up to 50% off). A larger tile on the right is titled "Employee benefit offers" and includes a link to "See all offers on selected products" and an image of a child looking at a large screen displaying various offers.
